

NOTICE TO VG SCHOOL OF NURSING GRADUATES

THE PURPOSE OF THIS CONTACT IS TWO FOLD:

- 1) To encourage membership in the VG School of Nursing Alumni (we may become a dying breed but with membership from the '70's to the '90's we could survive for many more years)
- 2) To encourage graduates from the VG School of Nursing to complete their **PROFLE FORM** for the VG Alumni Archives. (There have been over 1700 completed to date and this will be a record of the VG graduates, a valuable history document)
